Tour Description

Sunway Lagoon

Sunway Lagoon Surf Pool

Magically transformed from the site of an old tin mine and quarry, Sunway Lagoon is today Malaysia's best and largest theme park. Set amidst beautifully landscaped surroundings, it is a cascade of rides, slides and family attractions of international standard.

This tour guaranteed to bring you a whole day of non-stop fun in the sun with lots of thrills and spills, laughter and excitement. Within the park are water-based attractions like giant waterslides, twin speed slides, double twister, wave pool, toboggan, slow river and waterfall garden.

Swim in the world's largest surf pool, or sit back and watch the waves roll back on to Malaysia's longest manmade beach in the city. Step into Fort Lagoon Wild Wild West Territory - a 19th century Midwest shanty town filled with themed rides and authentically styled building facades. Come to the Adventure Park and behold the three majestic Bengal tigers, or walk the world's longest pedestrian suspension bridge!

The park also offers dry adventure activities. Ride in Apache Pots, test your nerves on the Flying Carpet or ride the skies on a Galleon. Other attractions include runaway train and sky flyer.
